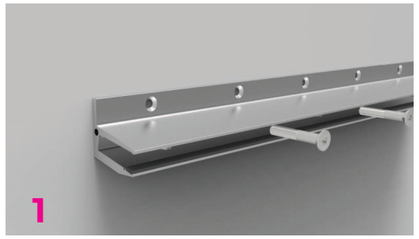
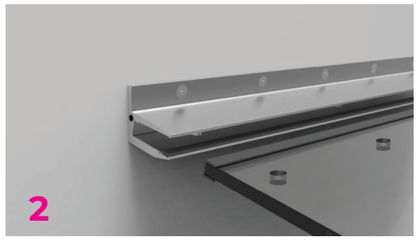
Selvstøttende og enkel montering

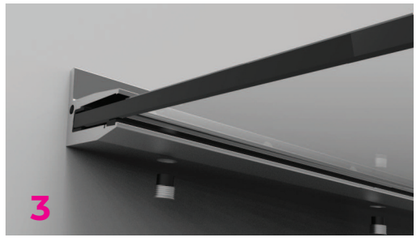
1
Mount the aluminium profile with appropriate fastening material to the wall.



2
Fit the edge protection rubber onto the glass and then insert the glass into the aluminium profile.



3
Align the glass panel and secure it with glass fixings.



4
Place the endcaps on the profile and secure them with screws.

Aluminium Self Supporting Canopy System vil gi inngangspartiet ett helt spesielt utseende.

Ved bruk av herdet laminert glass kan du få glass i mange farger og effekter.
Her er det mange muligheter. Glass kommer i tillegg.

Aluminium Self Supporting Canopy System er selvbærende og trenger ingen ytterligere støtte.
Ved å montere flere profiler etter hverandre kan denne monteres lange lengder.

Aluminium Self Supporting Canopy System trenger god innfesting, dette er svært viktig.
Det er ett stort moment som skal være bærende.

- Estetisk flott utseende
- Koblingsstenger er ikke påkrevd
- Enkel montering
- Glass herdet 17,52
- Kan montere flere lengder etter hverandre
- Maks dybde på glasset er 100cm
